Request for Information (RFI) Related to NIST’s Assignments under Sections 4.1, 4.5 and 11 of the Executive order Concerning Artificial Intelligence

Deadline for response: March 15th, 2024
Maximum Length: 25 pages, 12-point (or larger) font, page numbers

Purpose: Feedback on the NIH Strategic Plan for Data Science 2023-2028

Questions:

1. The appropriateness of the goals of the plan, the strategies and implementation tactics proposed to achieve them; including potential benefits, drawbacks or challenges.
2. Opportunities for NIH to partner to achieve these goals.
3. Emerging research needs and opportunities that should be added to the plan.
4. Any other topic the respondent feels is relevant for NIH to consider in developing this strategic plan.
